

Grandma Carolyn Hudlet

July 15, 1932

-

January 2, 2018

Grandma Carolyn Hudlet, Janet's mother, went to her heavenly home January 2, 2018. It is both a sad and happy time for us. We are extremely sad because we miss her. She was very involved in our lives and the life of this ministry. She and Grandpa Herb Hudlet (July 7, 1930-January 5, 2005) were very instrumental in the camp as it began and grew. Grandma continued to do dishes and desserts whenever campers were here. She cleaned the cupboards each year in the spring. She did so many things behind the scenes that no one knew about. Some may remember when juices or drinks were not put out. That was usually because Grandma was gone for that meal and the rest of us forgot. We depended on her for so many things. She was Grandma to most and loved by all. She truly had a servant's heart.

It is a time to rejoice because she is in Heaven with her Lord and Savior. She accepted the Lord as her personal Savior as a young child. She was by the bed when Janet accepted the Lord one evening after hearing the Gospel her first day of Vacation Bible School. Grandma and Grandpa were very faithful to raise their children in the Word of God. They prayed for all of the extended family that they would accept the free gift of Salvation. They prayed for the campers who came to Majestic View Ministry that they would know God's Word and have a personal relationship with the one who gave us life.

Although, Grandma's sudden passing was something we were not expecting, as we look back it appears she seemed to know. Even on her last day, she read her devotions out of Grandpa's Bible. We found out later that she had told several people that she wasn't sure she would see them again. There were other little things but big now that we know what God's plan was for her life.

Grandma and Grandpa were always very supportive of the purpose of Majestic View Ministry. Not only did they work at the camp and support financially, they were big prayer supporters. We pray there are others who will have the heart for the Lord's work and carry on what we, along with other ministries, will be missing from this Good and Faithful Servant.
