

Singspiration Celebration  
for  
Grandma Carolyn Hudlet

July 15, 1932 - January 2, 2018

*There will be a Hymn-Sing celebration of Carolyn Hudlet's life on*

*January 14th, 2018,*

*at Majestic View Ministry Retreat Center at 4:00 pm.*

*Grandma had stated a few weeks before she went to Glory that it wasn't about her, it was about Him. She didn't want people to travel long distances, but she wanted people to gather and to sing about the Lord. She loved the hymns. For most of their married life, Carolyn played the piano or organ, and Herb led the singing.*

*We are requesting that those who are not able to make it for this celebration have a Hymn-Sing with your families and/or churches wherever you are. That is what Grandma wanted—to have people singing hymns that share the gospel, talk about heaven, and share the hope we have in Christ.*
